Dear Director Frumkin:

I write on behalf of my Baraboo, Wisconsin constituent Ms. Laura Olah and the group she represents Citizens for Safe Water Around Badger (CSWAB).

As you can see from the enclosed letter, CSWAB members are concerned that former workers at the Badger Army Ammunition Plant (BAAP) in Wisconsin were exposed to contaminated water from 1942 through 1993. These members are requesting an investigation into the potential exposures and health risks to the workers, their families and other onsite personnel as a result of this contamination.

On behalf of my Wisconsin constituents, I am requesting that you investigate these claims. Please respond directly to Ms. Olah, and keep Katie Crawley of my Middleton, Wisconsin office apprised of the status of this issue.

Thank you in advance for your prompt consideration of this matter.

Sincerely,

Russell D. Feingold
United States Senator
